[Perceptive Recruiting](#) has been named one of the 20 fastest-growing companies in South Carolina for 2018 by SC Biz News!

Twenty large companies and 20 small companies have been named to the statewide [Roaring Twenties](#) list presented annually by [SC Biz News](#). This honor recognizes the state’s fastest-growing companies based on both dollar and percentage increases in revenue from 2016-2017.

To qualify for the Roaring Twenties designation, companies must have a physical presence in South Carolina and be a for-profit entity or a nonprofit organization.

Company size was determined by gross revenue: A small company was considered as having \$10 million and under in revenue. Large companies were classified as having over \$10 million in revenue. Small companies must have had revenues of at least \$500,000 each year for the years 2015, 2016 and 2017.

Profiles of the winning companies will be published in the winter issue of [SCBIZ magazine](#). The winners will be honored at an event on Oct. 25 at the DoubleTree by Hilton Columbia.

“I am thrilled to earn this designation after only four years of opening Perceptive Recruiting. It’s an exciting time for us, as we prepare for our next steps in growth,” says Jill Rose, President of Perceptive Recruiting.
